

REMARKS

Claims 1, 2, 4-8, 10-11 and 13-18 have been allowed in this application. By this Amendment, claims 1, 5 and 14 are amended for clarity. No new matter is added. Entry of this Amendment After Allowance is respectfully requested in light of the following remarks.

Applicants appreciate the courtesies shown to Applicants' representatives by Examiner Pham in the August 2, 2007 telephone interview. Applicants' separate record of the substance of the interview is incorporated in the following remarks.

Claims 1, 5 and 14 were previously amended by Examiner's Amendment reflected in the July 26, 2007 Notice of Allowance. Claims 1, 5 and 14 are hereby amended to further clarify relevant features and maintain consistency among the features of the claims. This amendment does not affect the allowable subject matter or scope of these claims.

Based on the August 2 telephone interview with the Examiner, Applicants understand that the Examiner agrees that the foregoing amendments will not affect the allowance of this application.

For at least these reasons, the entry of the foregoing amendments after allowance are respectfully requested.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
